

THE HOMESCHOOL RESOURCE ROADMAP COMMON CORE PROJECT

AWAITING A RESPONSE

Unless otherwise indicated, all contacts have been made via email. “VM” indicates that a voice mail was left on the company phone line, and “FB” denotes that a message was left on the company’s Facebook page. A date in **red** serves as a reminder to the project director that the company has only been contacted once. The director will make every reasonable effort to continue to respectfully contact each company until she receives replies from all.
